Dinosaurs lived millions of years ago.

**The word dinosaur means
“terrible lizard.”**

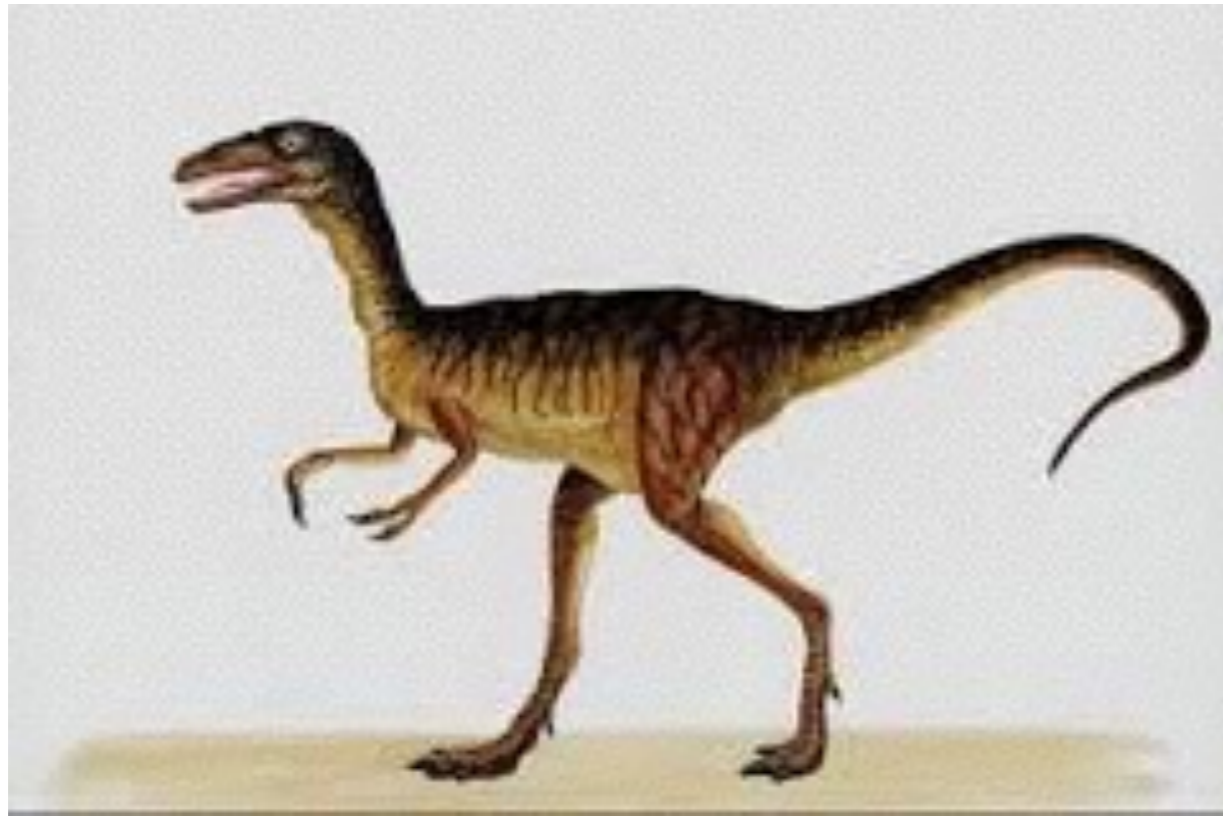

Some dinosaurs ate meat and are called carnivores.

Some dinosaurs ate plants and are called herbivores.

**The biggest dinosaur was
Dreadnoughtus. This dinosaur
was the size of two semi trucks.**

The smallest dinosaur was Compsognathus. This dinosaur was the size of a chicken.

Dinosaurs are extinct. That means there are no more dinosaurs.

Dinosaur bones are called fossils.

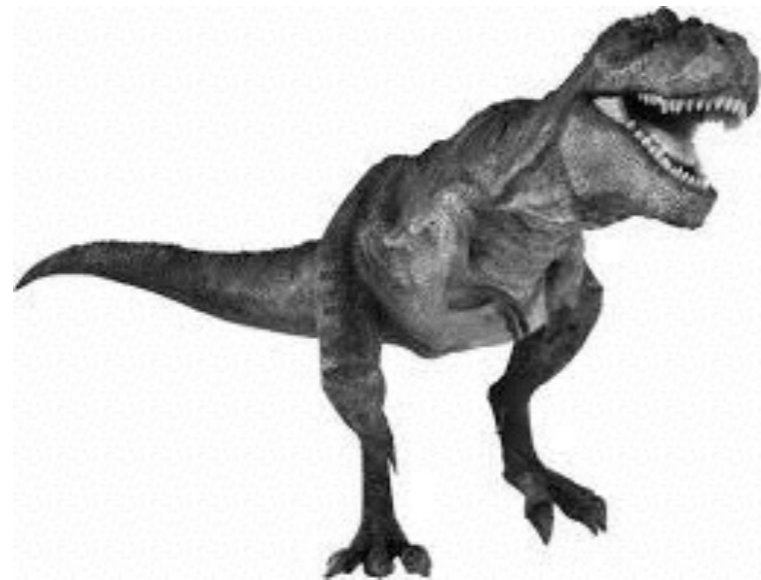

Fossils can be found all over the world.

**A person who studies dinosaurs
is a paleontologist.**
